Observations, findings and action taken - Based on alumni feedback received library infrastructure has been improved upon as the reading area has been increased significantly providing more facility for the students. Furthermore, smartboards have been introduced in the classrooms to bring the class infrastructure on par with international standards which addresses the concerns raised in student's feedback. To ensure overall mental wellbeing and development of students, which is keeping in line with the feedback received from parents, a counsellor has been appointed to conduct sessions with students on a regular basis. Employer's feedback with regards to communication skill of students is being addressed through value added soft skills lecture. With regards to feedback received from teachers on the curriculum, the college supplements the University curriculum by providing value added and certificate courses.
