Dear Smit,

It was a fantastic experience having you as a speaker for the seminar on "Traversing into the Startup World" organised for our SYBMS and TYBMS students on 11/01/2023. The knowledge you imparted about the startup ecosystem and the experience that you shared with the students resulted in a very insightful and enriching session.

I hope to stay connected with you in the future so that our combined efforts can be more rewarding for students.

I really appreciate the efforts you have taken.

I am wishing you all the best for your endeavours.

Dr. Sharyn Bangera
